***SanRe Organic Skinfood* certified USDA ORGANIC**

Following stringent review, local skincare company, ***SanRe Organic Skinfood*** [www.sanreorganic.com](http://www.sanreorganic.com), is now formally certified as an USDA NOP Organic Handler and has received USDA Organic certification on 26 of its pure and revitalizing skinfood products.

SanRe, a family owned and operated company in Sarasota, Florida, is committed to organic conscious customers focused on luxurious yet natural beauty. SanRe's pampering products utilize beneficial organic ingredients and essential oils to lavish, hydrate, replenish and protect your vital skin. SanRe is environmentally conscious and subjects no animals to testing.

SanRe specifically formulates its beneficial products to naturally rejuvenate each body area and skin type. The skin care line includes natural facial and body moisturizers, toners, cleansers, eye creams/serums, exfoliators, masks and lip care. Please visit SanRe at [www.sanreorganic.com](http://www.sanreorganic.com) for further information and to locate a retailer near you.
