

**FOR IMMEDIATE RELEASE**

## **Whole Foods Market approves local *SanRe Organic Skinfood***

Whole Foods Market Inc. recently reviewed and approved local skincare company, SanRe Organic Skinfood, for Whole Foods' Premium Body Care certification. Whole Foods describes its Premium Body Care products as "the most exceptional personal care products available. They meet the strictest standards for quality sourcing, environmental impact, results and safety."

SanRe Organic Skinfood is a local, Sarasota, FL, family conceived and owned company. Currently found in 8 Whole Foods locations, the Good Earth stores and the Granary, SanRe products are now slated for entrance into 5 additional Whole Foods locations.

SanRe is committed to organic conscious customers focused on luxurious yet natural beauty. SanRe's pampering products utilize beneficial organic ingredients and essential oils to lavish, hydrate, replenish and protect your vital skin. SanRe is environmentally conscious, subjects no animals to testing, and does not use nano particles. Please visit SanRe at <http://www.sanreorganic.com> for further information.
